New service available : Certificate of land value

The Valuer General NSW Valuation Portal provides the community, industry and other government agencies with access to valuation products and services. These include free land value searches, valuation sales reports and an online facility to lodge an objection to your land value.

Visit the [About us](#) page for more information about our role in the NSW valuation system.

NSW Land Values and Property Sales Map

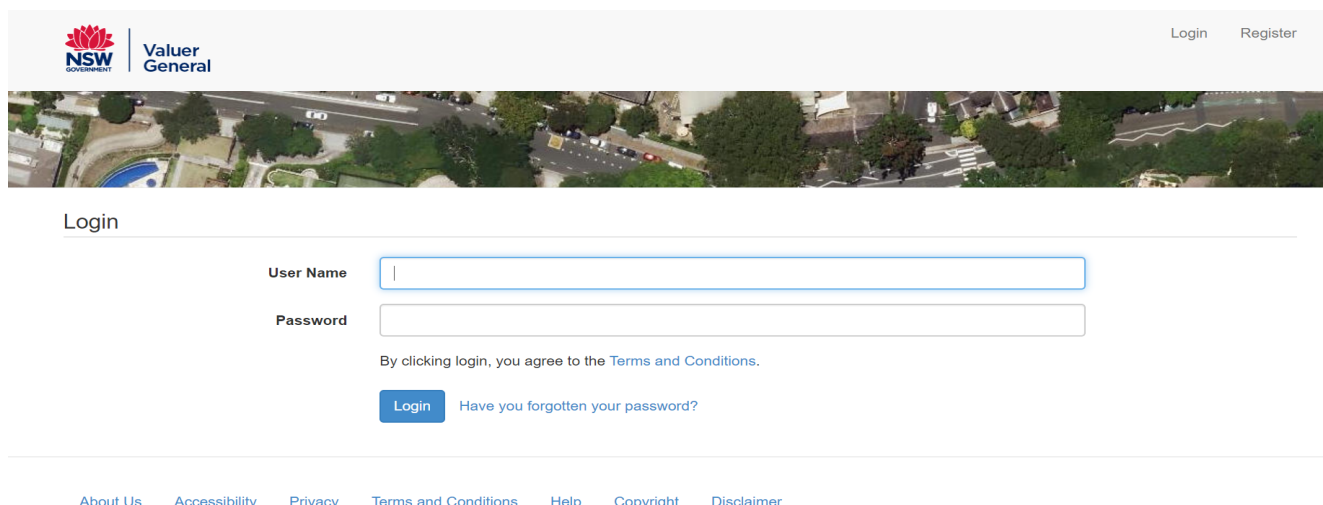

Land value search Launch »

Launch »

This free search provides land valuation information for properties in NSW.

NSW Land Values and Property Sales Map is a free and easy way to view land values and property sales information.

Upon clicking 'Login', users will be directed to the login screen. Users should enter their username and password.

Click onto the link to go to the reset password screen. When selecting a new password, please follow the requirements outlined.

The screenshot shows the 'Reset Password' page of the Valuer General NSW portal. At the top left is the NSW Government logo and 'Valuer General' text. At the top right are 'Login' and 'Register' links. Below the header is a wide aerial photograph of a suburban street with houses, trees, and a swimming pool. The main content area is titled 'Reset Password' and contains two input fields: 'New Password' and 'Confirm Password'. Below these fields, a message states 'Your new password will expire in 60 days.' followed by a list of password requirements. At the bottom is a blue 'Change Password' button.
